A Note from the Headteacher.....

It's hard to believe that we are at the end of the third week of term already! My first few weeks have been really enjoyable and I have been very impressed by the maturity and manners of the children here at Whoberley. We have had quite a number of visitors from the Local Authority since the beginning of term and on each occasion their comments about the school have been extremely positive, particularly regarding their pride in the school. This has made me very proud to call myself Headteacher of Whoberley Hall.

We have made some subtle changes to the awards assembly on a Monday morning. It is now called 'Whoberley Wizard Work'. The children will have awards in phases over a period of a three week rota. Monday sees Upper Phase awards. The children selected will receive a certificate to bring home and are then invited to come for lunch with me the following day.

We hope you will continue to attend the assembly. Monday assembly will also be an opportunity to share achievements that have occurred out of school eg. swimming awards etc.
